Newsletter re Mandatory Line Release – Windsor/Detroit (Ambassador Bridge)

August 9, 2007

The following was distributed by the Canadian Society of Customs Brokers(CSCB)

CANADA BORDER SERVICES AGENCY

Further to our message of July 25, CBSA at the port of Windsor have produced a newsletter providing additional information regarding mandatory line release requirements at the Ambassador Bridge.

This newsletter includes a reminder about meat and phytosanitary certificates, and use of FAST placards.

The newsletters are available on the CSCB website at:
